SAFETY

MONDAY®

According to the National Highway Traffic Safety Administration (NHTSA); Work Zone Fatalities have increased over 10%. 33% of these accidents involved Commercial Motor Vehicles. Speed and Rear Collisions were the biggest causes of these accidents.

When you encounter Work Zones

- ✓ Increase your following distance
- ✓ Drive the posted work zone speed limit
- ✓ Avoid unnecessary lane changes
- ✓ Pay attention to signs and flaggers
- ✓ Avoid distractions and give the roadway your full attention
- ✓ Always wear your seatbelt
- ✓ Be patient, expect the unexpected
