# ROADWAY SAFETY

- ✓ **Manage Risk** – recognize and manage risks by identifying potential hazards and adjusting accordingly.
- ✓ **Stay Aware** – Know your own limitations as a driver, the limitations of your vehicle and the environment you're driving in.
- ✓ **Safety First Approach** – Ensure you're a safe, professional driver, in a safe vehicle, observing all roadway signs, devices and posted speeds.
- ✓ **Always Drive Defensively** – Follow traffic laws, be prepared for the unexpected, eliminate distractions, avoid distracted or aggressive drivers, and utilize defensive driving strategies.
- ✓ **Practice Safety Basics** – wear your seatbelt, keep eyes on the road and hands on the wheel. Maintain safe following distances!
