

STRONG SAFETY STARTS WITH SPEAKING UP

PSYCHOLOGICAL SAFETY SAVES LIVES!
Speaking up prevents injuries before they happen.

WHY IT MATTERS

Waste and Recycling is a high-risk industry

Small issues can lead to serious incidents

Early reporting saves lives and equipment

For All Workers

Report hazards and near misses

Use **Stop Work Authority**

Support co-workers who speak up

For Leaders

Invite questions and feedback

Act quickly on concerns

Share **lessons learned**

A SAFER WORKPLACE STARTS WITH ONE VOICE.
